79estates is pleased to present these beautiful Mediterranean-style villas in Ciudad Quesada. These villas are built over two floors using high-quality materials, including natural stone on the facades. The plot sizes start from 200 m2 and include three bedrooms and two bathrooms. The ground floor comprises an open-plan lounge, dining area, and kitchen that opens onto a terrace and Mediterranean garden. A double bedroom and bathroom are also on this floor. On the first floor, there are two double bedrooms, both with a garden terrace. The second bathroom is also on this floor. Several villas have an unfinished basement for a second lounge, an extra bedroom with a toilet, or an entertainment room. All the villas have pre-installed A/C, internal and external LED lighting, fitted wardrobes, private gardens, and parking. At an additional cost, a private pool and solarium can be included. Suppose you are interested in investing in a holiday retreat...
